REPORT NO.

According to a report of the Far East Trade Bureau, the value of Chinese Communist imports from the USSR in 1947 was 216,092,000 rubles. The value of Chinese Communist exports to the USSR from Manchuria for the same period was 249,051,000 rubles. () Comment. "Far East Trade Bureau" may be a reference to Northeast Trade Bureau or to Torgredstvo.) () Comment. It is possible that the figure for imports, like that for exports, applies only to Manchuria rather than to all areas under Chinese Communist control.)
